Welcome to the Team! - Maria Dominguez

Hola, my name is Maria Dominguez and I am very excited to be a part of the Response 1 Medical Staffing team. It was by a divine appointment that I met Cheree and LaJuan and I was so impressed with the foundation that Response 1 was built: Christian values, honesty and integrity, that I jumped right on board. And, I haven't looked back since.

I have over ten years of recruitment experience with 2 plus years specializing in Healthcare/Nursing focusing on per diem, travel and permanent opportunities. I enjoy working with our Nurses and helping them realize their dreams of traveling while working or making extra money.

I am very active in my community through ministry outreaches from San Francisco to Sacramento and, in my spare time, I love spending time with my family (including my little love bug – Rockie, my silky terrier) and friends. My favorite past times are wine tasting, going to the spa, reading, traveling, and dancing to live music.

I look forward to working with you!

Nurse of the Month: Nancy Waggoner

Nancy has been with Response 1 for almost 3 years now! Thank you Nancy for your hard work, dedication, and your loyalty to Response 1! You are an outstanding Nurse, and an excellent representative of Response 1. We look forward to continuing our work together in the future.

What is HOT Right Now

ER, ER, ER!

We are currently up to our ears in ER openings! Now is the time to ask about an ER travel assignment in your ideal location. Or, if you are already on assignment, use this great opportunity to refer an ER RN to us and receive a \$500 bonus when they complete an assignment with us!

We also have many travel and per diem opportunities for other specialties including ICU, MS/Tele, NICU, L&D, OR, and PACU!
